Commissioner Beltinck, Yes; Turnwald, Yes; Graham, Yes; Livermore, Yes; and Curtiss, Yes.

Correspondence: N/A

Public comment: Bill Hauck, Union Township Trustee, said that the Isabella County Road Commission did a great job on Denver Road. Richard Smiley who lives on 254 S. Leaton Road was inquiring on if the road commission had plans on doing anything with the culvert and ditches on his road that needs to be dug out. The Superintendent told Richard Smiley that he would have the Drainage Forman get hold of him next week.

Old Business: N/A

New Business:

-----------	--

Ayes: All. Nays: none. Motion carried.

A Discussion was held on AD-HOC. The Board decided to leave it the same for this fall and then go to one a year. In 2019 change it to a Roads Information update instead of AD-HOC. They decided to have the manager attend the fall Council of Government meeting to give a project update. The Finance Director was asked to contact Rick Ervin to put Isabella County Road Commission on the Agenda. The Council of Government meeting is held on every 3rd Wednesday except for the quarters.

The Finance Director reviewed the bi-weekly financial report for the period ending April 19, 2018. The Finance Director updated the Commissioners on the changes on the AR – Open Aging Summary Report.

The Superintendent gave the following report:

- A couple guys worked all night (10 hours) on Saturday
- All Townships were scrapped this week.
- Employees have been preparing the detour for Winn Road.
- Getting ready to pave Rolland Road (Remus to Broomfield) and the 4 miles of Airline Road

The Manager attended a meeting with the Tribe, City, Manager of Union Township, Drain Commission, and the Environmental Core of Engineering. The purpose of the meeting was to discuss the water that comes into the city, county, and townships due to last years flooding. They discussed an option of having warning systems north and south of the city that would measure the levels of water. Once the water got to a certain level an alert would go off. This could give the city about a 8-12 hour earlier warning that water maybe rising. The manager updated the Commissioners that the road commission had put a bid on some V's however; they did not end up winning the bid. The Manager asked everyone to keep an eye out for some V's because in the near future the road commission needs to buy some.

Committee Reports: N/A

Motion by Livermore, seconded by Turnwald to adjourn the meeting at 7:03 p.m.
Ayes: All. Nays: None. Motion carried.
